HELMET OWNER'S MANUAL
WATERSPORTS HELMET INSTRUCTIONS

Manufacturer: HUIZHOU LANOVA OUTDOOR PRODUCTS CO., LTD.
Address : New Century Industrial Park, Shenli, Yuanzhou, Boluo, Huizhou, 516123, Guangdong, China

ABOUT THE LIMITS OF THE HELMET

The helmet will not protect against injury in all types of accidents, even while wearing a helmet, low speed accident may result in serious head injury or death.

Because every accident scenario is different, it is impossible to know whether use of a helmet will provide partial or complete protection.

Studies have shown that you are better off with a helmet than without
one.

A helmet does not protect what it doesn't cover, and as noted it may not protect what it does cover. A helmet will not protect against injuries to the spine, neck, or face.

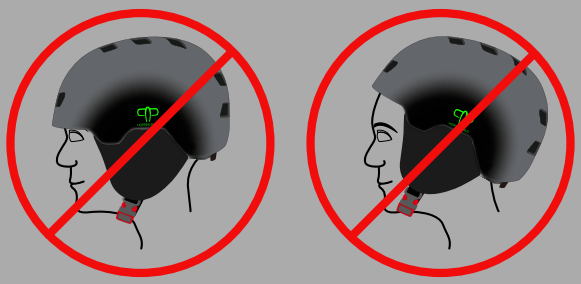

ANNOUNCEMENTS

1. For your safety, the safety buckle should be buckled up when you are using the helmet.
2. Before and after use, the helmet should be checked if it has any signs of wear and tear and it's extent of damage.
